- Office 365 Personal: Installed on up to five Macs, PCs, iPhones, and iPads with five users allowed to access the 1TB One Drive storage.. Neither tier of Microsoft Office 2016 comes with OneDrive storage Pricing The most significant difference by far is pricing and payment model..
- Office 2016 Home & Student: Comes with Word, Excel, PowerPoint, and OneNote
- Office 2016 Home & Business: Comes with Word, Excel, PowerPoint, OneNote, and Outlook
- Office 365 Personal: Comes with Word, Excel, PowerPoint, OneNote, Outlook, Publisher (PC only), and Access (PC only).. I have dealt with getting Word documents from friends, only to open them in Pages a realize they aren't formatting correctly, or the spacing is off, etc..

Programs Which programs you need in your Microsoft Office suite will also be a critical deciding factor in which version you buy.. If you get either version of Microsoft Office 365, you'll get a free TB of OneDrive storage to access and use.. Microsoft Office 2016 is a one-time payment, while Office 365 is a monthly subscription model. 0041d406d9 [One Night Only Rar 2010](#)
